Re: MUR 4594
Longevity International Enterprises Corporation

Dear Ms. Bumgarner and Ms. Weissenborn:

This letter is to confirm our telephone conversation with Ms. Bumgarner.

As for our client's, Longevity International Enterprises Corporation, response to the Federal Election Commission's notification letter and to its Subpoena to Produce Documents and Order to Submit Written Answers, you had allowed us to respond by February 3, 1997. We requested a further extension of an additional week until the close of business of February 10, 1997, to submit the response and based upon our telephone conversation with Ms. Bumgarner, she is allowing us this additional week.

The reason for the request is that our client is still gathering factual information relating to this matter and needs the additional week to gather the documents from storage and meet with those that have knowledge of this matter.

Again, we thank you for granting our request.

Very truly yours,

DEVENS, LO, NAKANO,
SAITO, LEE & WONG
